PROFESSIONAL SUMMARY

BCA student and performance-driven Front-End Developer specializing in building responsive, high-performance web interfaces using HTML5, CSS3, JavaScript, and Tailwind CSS. Proven leader with experience managing technical events for 180+ participants. Currently expanding my skill set by actively learning cybersecurity and secure coding practices. Dedicated to delivering elegant, user-centric solutions through modern web engineering standards

SKILLS

- **Frontend Technologies:** HTML5, CSS3, JavaScript (ES6+), Tailwind CSS, Responsive Web Design, Mobile-First Development
- **Advanced Concepts:** DOM Manipulation, Glassmorphism Design, Flexbox Layouts, Form Validation & Error Handling, Local Storage, API Integration Ready
- **Development Tools:** Git & GitHub (Version Control), VS Code, Google Fonts, Semantic HTML, JSON Data Structures, Chrome DevTools
- **Soft Skills:** Leadership, Event Management, Team Coordination, Problem-Solving, Communication, Time Management

EDUCATION

NIMS University | Jaipur, India *Bachelor of Computer Applications (BCA) — Artificial Intelligence Specialization* | Aug 2024 – Aug 2027

- Current 5th Semester Student
- SGPA: 6.6/10

Euro International School | Haryana, India *High School* — Completed Apr 2022

FEATURED PROJECTS

AgriFarmers SIH 2025 — Agricultural Technology Platform

Technologies: HTML5, CSS3, JavaScript, Tailwind CSS, JSON, Responsive Design

- Engineered a multi-language agricultural platform (Hindi, English, Punjabi) with real-time weather analytics, crop recommendations, and market price insights.
- Achieved an 81 Lighthouse Performance score and a perfect 100 Best Practices score, with zero layout shift across 3+ device sizes.
- Architected a component structure with mock APIs and robust form validation, demonstrating patterns scalable to real backend integration.

Campus-Utility-Hub — Multi-Module Dashboard Application

Technologies: HTML5, CSS3 (Custom Animations), JavaScript ES6+, Vanilla DOM API

- Developed an 8-module campus dashboard (Smart Attendance Tracker, SGPA/CGPA Calculator, Expense Splitter) with zero external API dependencies.
- Achieved a 92 Accessibility score and perfect 100 Best Practices score, with zero Cumulative Layout Shift.
- Built a semantic, glassmorphism-styled UI with pixel-perfect responsiveness across screen sizes.

Personal Portfolio Website

Technologies: HTML5, CSS3, Responsive Design, Google Fonts

- Created a professional online presence showcasing projects, certifications, and technical expertise with a clean, modern design.
- Implemented a sticky navigation bar with smooth scrolling, organized certification showcase, and comprehensive project highlights.
- Optimized for performance and accessibility, ensuring cross-browser compatibility and mobile responsiveness.
- Achieved a **93 Lighthouse Performance score, 96 Accessibility, and 100 Best Practices**, with a sub-2-second Largest Contentful Paint (1.9s).

PROFESSIONAL EXPERIENCE

IEEE Student Chapter | Jaipur, India *Organizing Team Head* | Feb 2025 – Nov 2025

- Spearheaded the planning and execution of diverse technical and non-technical events, including a 70-participant MATLAB workshop and an immersive Technology Expo visit for 50 students.
- Directed team operations and delegated tasks effectively to ensure project timelines and high-quality outcomes were met.
- Fostered a collaborative team environment and managed competing priorities under tight deadlines.

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

- **Introduction to Front-End Development** — Coursera (Meta) (Mar 2026)
- **GitHub Tutorial for Beginners** — Great Learning (Jan 2026)
- **Generative AI Mastermind Program** — Outskill (Jan 2026)
- **Foundations of Cybersecurity** — Google Career Certificates (2025)

LANGUAGES

- **English:** Professional Working Proficiency
- **Hindi:** Full Professional Proficiency
